

1984-2015

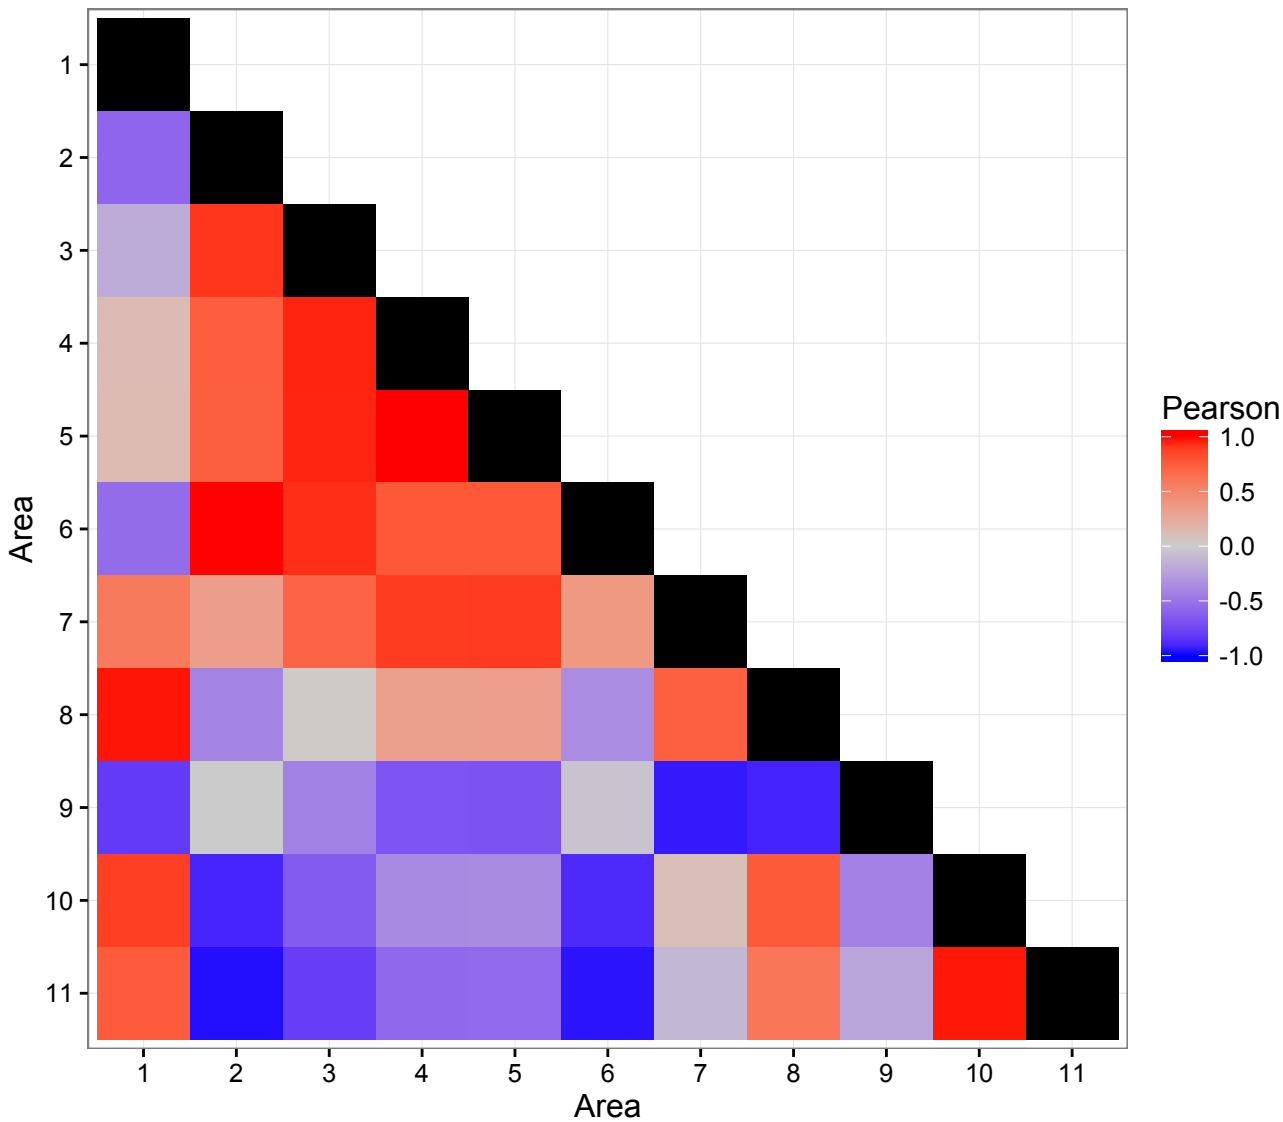

[illegible]

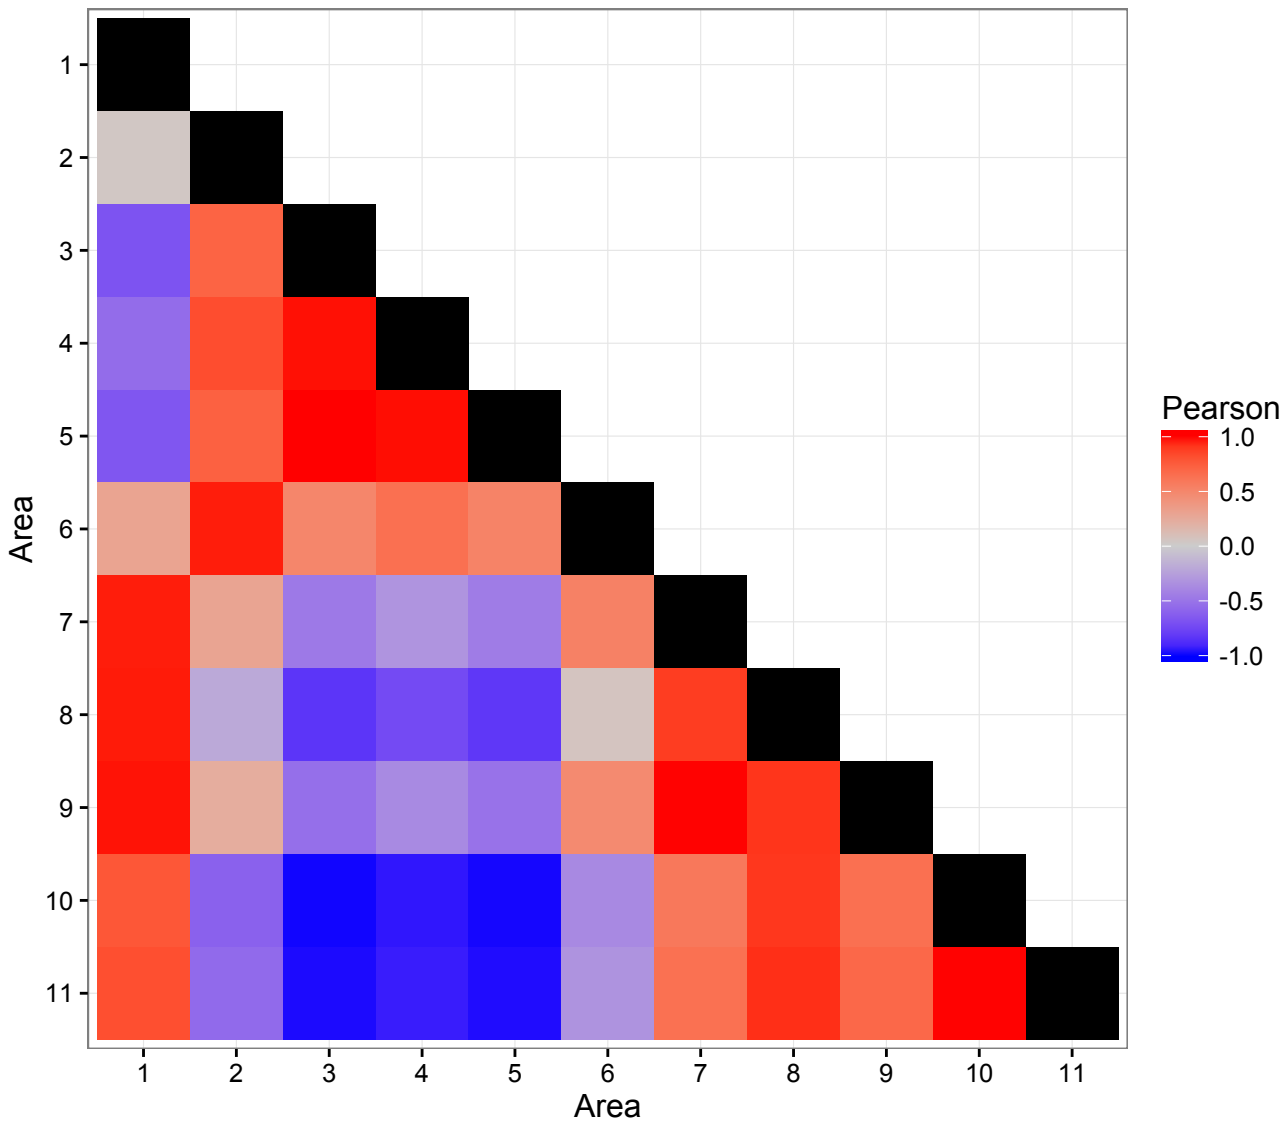

The heatmap displays a 10x10 grid of colored squares. The x-axis is labeled 'Area' and ranges from 1 to 11. The y-axis ranges from 1 to 10. The grid shows a diagonal pattern of colors: black, red, orange, light orange, light purple, blue, and black. The colors transition from black at the top-left to blue in the center, and back to black at the bottom-right.
